**CCHS Alumni Association
\$50,000 Founders Fund Endowment Program**

To All CCHS Graduates:

This letter is to explain the \$50,000 Founders Fund Program. The goal is for the CCHS classes from 1940—2010 to raise at least \$50,000 for the Founders Fund for CCHSAA scholarships. Each class is hoping to raise at least \$1,000 by donating \$5—\$100 per classmate.

The money for the CCHSAA scholarships will be invested by the Whitley County Community Foundation (WCCF), and only the interest or earnings is awarded for the endowment scholarship. This endowment fundraiser will run through the end of 2011.

Your contribution is tax deductible via a 501(c)3 program by the Whitley County Community Foundation. Financial statements of the CCHSAA are always open for viewing at WCCF. If you would like to contribute, please send your check payable to:

**CCHSAA c/o WCCF
400 North Whitley Street
Columbia City, IN 46725**

Write on the memo line: **"Founders Fund"** & Your **Graduation Year**. Cash also accepted!

Remember, your contribution says more than a donation—it says ***"SCHOLARSHIPS FOR FUTURE CCHS GRADUATES"***. You will receive a thank you from CCHSAA and WCCF for your tax records.

You can contact your Class Coordinator at **www.chsaa.org** or Vanessa Bills at Whitley County Community Foundation (260)-244-5224.

Sincerely,

Andrew Thompson,
President CCHSAA
